Introduction

Everyone at Rastrick High School will be aspirational, positive and creative members of society and will fulfil their potential, through a broad and balanced range of experiences, enabling them to develop personally, spiritually and morally.

We aim to create and sustain a community of which we all feel proud; a community which allows our children to aspire, feel safe, supported and respected. A community that respects diversity and difference and embraces the school's ethos as articulated in our Rights and Responsibilities charter.

1. What Is Bullying?

Bullying is the use of aggression with the intention of hurting another person either physically or emotionally, by intimidating or demeaning others. It is usually persistent and is often covert, and is a conscious attempt to hurt, threaten or frighten someone. Bullying results in pain and distress to the victim.

Bullying can be:

- Emotional derogatory name-calling of an insulting and/or personal nature. Demanding money, material goods or favours by means of threat or force
- Physical pushing, kicking, hitting, punching or any use of violence because of some perceived physical, economic, sexual, intellectual, cultural or racial difference
- Racist racial taunts, graffiti or gestures
- Sexual unwanted physical contact or sexually abusive comments
- Homophobic language because of, or focussing on the issue of sexuality
- Verbal name-calling, sarcasm, spreading rumours, teasing, abuse and threats; ridiculing an individual
- Cyber: All areas of internet, such as email and internet chat room misuse. Mobile threats by text messaging & calls. Misuse of associated technology, i.e. camera and video facilities

Why is it Important to Respond to Bullying?

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect and feel safe. Students who are bullying need to learn different ways of behaving. Each member of the school community has a responsibility to respond promptly and effectively to any issues of bullying.
